

SHARED AIMS

GOVERNORS

We would like our Governors to:

- Assist in running the school effectively for the well being of children and staff.
- Be known to all individual members of staff and be supportive and actively involved.
- Support and respect the professional standing of all staff.
- Be representative of the wider community and bring with them a variety of expertise and experiences.

The Governors would like to be seen to be:

- Caring and committed.
- Sensitive
- Aware of the needs of the school and our own responsibilities.
- Active, involved and approachable.
- Supportive of the staff.
- Well informed of current issues.
- Aware of the need for confidentiality.
- Able to help all the children.
- Able to reach our full potential.
- Listened to and understood.

STAFF

We would like staff to:

- Have a good self image.
- Be realistic of time management of self and others.
- Be understanding of other pressures on individuals.
- Be open, honest, sensitive, positive, approachable and have a sense of humour.
- Be good listeners and communicators.
- Be supportive and encouraging in all we do.
- Have global perspectives of the needs of the whole school and work as a team.
- Raise achievement and behavioural standards by example and intervention.
- Have a sense of leadership, which is innovative but flexible.
- Be organised and efficient.
- Try to behave in a professional manner at all times.

The Governors would like all staff to be:

- Positive, capable, friendly and supportive.
- Structured but flexible.
- Encouraging.
- Sensitive but understanding to needs and limits.
- Approachable at all levels.
- Able to agree to differ but recognise the need to work together.
- Organised to allow children to be happily and purposefully occupied.
