THEY MAY NOT HAPPEN!

All of these events rely on our PFA.

We had four people attend our first meeting this year.....
not enough to function properly.

If you want our school to host these events this year we must have help!

What skills do you need to help?

The ability to: *make sandwiches; * man a stall; *help sell tickets; * wash up; * make tea and coffee; * go shopping; * design posters; *

If you can help with any of these please speak to Ms Skipworth , Miss Stewart or Julieanne Smith..
